

Town announces legal action dropped

Engineered Homes Ltd. have this week officially discontinued their action against the town of St. Albert for over \$500,000, representing a claim for damages and loss of profit in the unfulfilled development agreement for Grandin Park.

This action was brought against the Town of St. Albert in 1963, at the same time as the St. Albert Development Limited sued the town for approximately \$300,000.

The St. Albert Development action was settled out

of court last month with the town of St. Albert negotiating a settlement whereby St. Albert Development company allowed the town close to \$100,000, on the town's counter claim, while accepting approximately \$4,000, on their original claim.

No counter claim was issued against Engineered Homes Ltd. Mayor Fowler travelled to Calgary and Winnipeg in 1966 and 1967 to commence negotiations with Engineered Homes Ltd. and their holding company B.A.C.M. Ltd.

In 1967-68 the Council Liaison Committee (Mayor Fowler and Councillor de Bruijn) also held talks with a company principal in Edmonton.

During the same period the town solicitors were instructed by the committee to proceed as expeditiously as possible to bring the matter to a conclusion.

This month B.A.C.M. Ltd. contacted Mayor Fowler direct and further talks resulted in the action being dropped.

Council acts on road and street improvements

The regular council meeting was held on Monday, June 24 at 7:30 p.m. Present were Mayor Fowler, Councillors, Lacey, Cabbons, de Bruijn and Donalds. Either because of the fewer councillors present, or the routine nature of the business

before the meeting, council, for the first time in over three months, not only completed the agenda but did so by 10:45 p.m.

First reading was given to a by-law authorizing the

borrowing of \$50,000, to re-cap roads in the town. Council also authorized the re-routing of Bishop Street to remove the island at the west end of Balmoral Drive, and provide an additional building lot on Balmoral Dr.

Local improvements were approved to install sidewalks on the north and south side of St. Michael St., at an estimated cost to the residents of \$20, per house, per year for twenty years.

Reports were received on the repairs to the swimming pool, which is now in full operation, and the tennis courts. This report showed full usage of the courts by both the tennis club and general public.

The report on the Power franchise and also Vinto Engineering Power study, into alternate sources of electric power, were both referred to a committee of the whole to meet at a later date.

School Board meets with Minister

The entire board of trustees of St. Albert Protestant School district met with the Hon. Referson, Minister of Education, as arranged on June 13 for discussions on the financial needs of the district as reflected in this year's supplementary requisition. The minister granted them three hours for a thorough review of the subject and three other members of the department were in attendance in the persons of Dr. Byrne, Dr. Hall and Mr. Shogren. Prior to the meeting the minister was provided with a copy of a very comprehensive brief as prepared by the superintendent and secretary treasurer.

Mr. Schroder reviewed briefly the meeting held with Mr. Blocksidge and Mr. Grant, of the school buildings board, in which the board requested further consideration regarding the amount of support given. He mentioned that it has been decided to eliminate from the proposed renovations the staff room, work room, and councillor's office until possible future extension of the building.

Mr. Schroder also mentioned that Mr. Holubitsky has been requested to determine the additional cost involved in changing the present industrial arts shop to a library due to the major changes required to the ceiling and the floor.

The board concurred with the proposed modifications to the renovations originally approved to the Sir Alexander Mackenzie School, and will proceed with provisions for a vice principal's office, an infirmary, a staff wash-room, and the library.

Mr. Schroder reviewed the summary record of the meeting of the high school committee held on Monday, June 3, 1968.

MARCEL LAMBERT
Edmonton West

JACK BIGG
Pembina

Edmonton West has returned a seasoned politician, respected for a good record in Parliament for his 6th term. He will be giving careful study to the poll return figures which returned him with a greatly reduced margin of votes; 19,441 against Tevie Miller's 17,078 for the Liberals, a difference of only 2,363. In the last election, with a larger constituency he led Dr. Meltzer the Liberal Candidate by over 12,000 votes. Mr. Miller will obviously be a man to contend with the next time around.

The first Alberta candidate to be declared elected, scored an easy win for the PC's in the Pembina riding with 17,465 votes a margin of 8,144 over Paul Chalfoux.

NDP's Anne Romaniuk dragged behind with 2,897. Liberal Chalfoux made a respectable showing as one of the youngest candidates and a first-attempt campaigner.

Mr. Bigg was first elected in 1958.

New Administrator for Youville

SISTER SUPERIOR FERNANDE MICHAUD

The Sisters and staff of Youville Home were happy to greet Sister Fernande Michaud, their new Superior and Administrator for the home, on Sunday afternoon.

Sister Michaud was born in Bie, Rimouski, P.Q. She was received in the order of the Grey Nuns in 1937, and came to Edmonton in 1941 where she terminated a course as X-Ray Technician in 1944. She further pursued her studies as a Laboratory Technician and graduated as such in 1946.

In 1965, Sister also graduated with a University Diploma in Hospital Administration and Management from University of Saskatoon. With twenty four years of service and experience as Laboratory and X-Ray Technician, Sister Michaud comes to us from Ste. Theresa's Hospital, St. Paul Alberta, to exercise her new function of Superior Administrator of Youville Home.

Sincere welcomes extended Sister Michaud by the Home and the community.

And Now To Go On

The people who expressed alarm that we have what they believe is an unknown and unproven man at the helm, should take heart that we have a basically thoughtful man as Prime Minister. Albertans, for example, might better remember the speech he made at our University Convocation than the screaming teeny-boppers, if they are looking for a measure of the man.

Canadians are fortunate to have a majority Government and again fortunate to have an opposition leader of the ability and integrity of Robert Stanfield. He has a major role to play in our new government.

Tuesday night will have taught a lesson to experienced politicians who move from provincial to Federal fields. Few can get away with it, perhaps because of to-day's more sophisticated voters. Right Duff Roblin? Mike Maccagno? Politicians who have built strong reputations must stay with their beliefs and their supporters. Real Caouette, sticking firmly to the original party line of Social Credit has nearly doubled his strength in the government. While Premier Manning's "re-alignment" policy has apparently backfired.

Whatever their political affiliations it is to be hoped that Canadian voters will realize that Mr. Trudeau is now Mr. Canada in the eyes of the world and that we have placed a tremendous burden on him. Now all Canadians must help to prove him right, that Canada has a great potential.

Western Canadians should seek some answers from the men they have elected. We till vast and productive land - with foreign-made machinery - Why? We produce high quality grain in volume yet tiny Thailand exported more of feed grains than Canada. Why? We have oil and gas and forests and fisheries and water power. Yet we remain that target of scorn as the book of Deuteronomy first tagged, "Hewers of wood and drawers of water" - for more aggressive and daring peoples such as the Americans and Japanese. Why?

Around Town

Mrs. Stibbe will be away until August 19. Readers are asked to bring club or social news to the Gazette office, 31 Perron Street or mail to P. O. Box 263, St. Albert. Brief news items may be telephoned to the Gazette at 599-7144.

A member of the Gazette staff, voting at Simpson School poll over the lunch hour, noticed a lady election clerk ruling off names with a spoon, not an ideal instrument for drawing straight lines. He had a ruler sent over.

Peters-Blais Wedding

MR. & MRS. WILLIAM PETERS

A beautiful wedding before an altar banked with spring flowers united Miss Gloria Blais and Mr. Bill Peters in holy matrimony on June 1st, 1968. The bride is the daughter of Mr. and Mrs. J. S. Blais of St. Albert and the groom is the son of Mr. and Mrs. P. M. Peters of Warman, Saskatchewan.

For her wedding the bride chose a floor length gown of satin trimmed in lace and pearls. Her floor length veil was accented with white roses and lily of the valley headpiece. She carried a bouquet of red roses and

white carnations.

Matron of Honor was Mrs. Joan Ziegler of Calgary, a cousin of the bride. Bridesmaids were Miss Marie Sicotte also a cousin of the bride and Miss Myrna Blais, sister of the bride. They wore matching apple green floor length gowns made of peau d'elegance. Their headpieces were clusters of green leaves, they carried pink carnation bouquets.

The groom and his best men wore tuxedo's with white dinner jackets. Best man was Mr. Jim Neudorf

talks to Guides

A large number of Girl Guides enjoyed an interesting and down to earth talk by Sister St. Francis Cabrini, director of the Pineview Home for unwed mothers, when she was the guest of the 3rd St. Albert Guides at a meeting, June 18. An open invitation to all St. Albert Guides to attend this meeting had been extended. Sister St. Francis is a much sought after speaker on Sex Education and Family relationships and the 3rd St. Albert Guide Company feel very fortunate that Sister took time out from her busy schedule to address the Guides.

RICHARD PERRAULT
Star performer for the St. Albert Oilers this week was pitcher Richard Perrault, behind his consistent throwing last Saturday the Oilers were able to hold off the strong attack of the Gibbons club and advance to the semi finals in the Frontier Daze tournament. The Oilers tied with Morinville for first prize money in the tourney.

from Saskatoon, Sask. Ushers were Eugene and Roger Blais, brothers of the bride.

For her daughter's wedding Mrs. Blais wore a pale pink dress and coat ensemble with pink and white accessories, complimented with a pink and white orchid corsage.

The groom's mother chose a dark dress with black accessories, also

complimented with a pink and white orchid.

After a honeymoon to the Winnipeg area, the couple are residing in St. Albert.

Out of town guests at the wedding included three of the bride's grandparents, Mrs. Della Blais from Gibsons, B.C., and Mr. and Mrs. E. W. Haughton of Calgary. Also many other relatives travelled to the wedding from Saskatchewan and Alberta.

CRAFTS

On Saturday, at 9:30 a.m. the children from the ceramics classes will be taking their pots for firing to the north east corner of Lions Park. There they will be using the real primitive method of making permanent ware which is used even today by the Indians of the southern-central United States.

TENNIS

On Tuesday and Thursday of this week the try-outs for the Junior Inter-Club team will be held at 4:00 p.m.

TRACK AND FIELD

A formation meeting is to be held on July 2 at 7:30 p.m. in the clubhouse for all students, aged 8 to 18, interested in any aspect of track and field. Registration will then be held on July 3 again at 7:30 p.m. in the clubhouse.

The two teachers who have helped to re-organize this activity and who will be acting as volunteer coaches are Mrs. Daphne Resler, Phys. Ed. teacher at Sir George Simpson Jr. High School and Mr. Garry Phillips, Science teacher.

SCOOTER CLUB

Any young scooter owners wishing to get further information about this club is invited to phone either Mr. Sutherland at 599-7897 or the Parks and Rec. Dept. at 599-6601.

Yellow, purple and red gladiolas well up and blooming at the residence of Alfred Kemps at 6 Birch Drive, St. Albert. Photo was taken June 21st, but the first blossoms appeared during the last part of May, a remarkable record for Alberta as growers of glads will appreciate.

Mr. Alfred (Fred) Kemps of 6 Birch Drive has a different approach to raising glads and it certainly works. By April 30th this year his glads were well up and starting to bud and by mid May several were out in blossom.

Mr. Kemps started the glads from seed and for the past six years he has never taken them up in the fall. They are planted about six inches from the rear of the house - a southern exposure and kept covered with glass

frames near an opened basement window. Mr. Kemps believes the plants started from seed may have developed hardy qualities, which were further strengthened by leaving them out over the winter months.

Two years ago Hilde's Flowers called on Mr. Kemps for help when a shipment they were expecting from the coast was delayed by an air strike, and they were able to get lovely bouquets of gladiolas in May. She remarked at the time that she had never

Huge crowd sees parade

Parking spots were at a premium in Morinville Saturday morning as an estimated 5,000 people jammed the main street for outdoor pancake breakfast and the Frontier Daze parade. Lieutenant Governor J. Grant MacEwan accompanied by Morinville's Mayor Stapleton led off the colorful parade of 76 entries. The Alberta Hotel float, presenting a realistic replica of a western frontier saloon took top honours in the parade. Complete with swinging doors, coal oil lanterns, log construction and authentic pioneer decor, it also featured a western band giving out with toe-tapping frontier music, capturing the frontier days mood.

Second place went to Andy's Co-op float which brought memories of another aspect of pioneer life - a genuine old fashioned log splitting machine, as the

early settlers used. Everything was in working order and viewers could see the axe come down and cut the logs, while in one corner an old pot-bellied stove belched real smoke. Third place was won by the colorful float entered by the French Canadian Association of Alberta with its two large revolving wheels depicting all the branches and their activities in the surrounding districts. Close runner up were the Morinville Motors entry with its unusual winter theme showing log cabin, large snow man and gold panning apparatus in working order. Right behind them was the very beautiful entry of Lil's Beautyette, one of the most appealing floats in the parade.

A good many of the entries showed a lot of originality and hard work and judges Wally Van de Walle,

councillor for M.D. Sturgeon Mr. Fitzpatrick, principal of Thibault School and Shirley Jamison, editor of the Gazette, were hard put to choose the best three entries. The seven bands added immeasurably to the excellent parade: the terrifically precise P.P.C.L.I. band, two colorful pipe bands, the Edmonton Police and Edmonton transits in their smartly swinging kilts, the fine Hillcrest school band, and St. Albert's Air Cadet band were among these. Mounted entries, 4-H, Guides and Scouts floats, commercial floats of high calibre, covered wagon and antique cars decorated bicycles, clowns Indian dancers, the MYC recreation float with hundreds of balloons, the CWL with its effective portrayal of religious education on an attractive float...these and many more made a well balanced and crowdpleasing parade.

Mayor Richard Fowler of St. Albert smiles broadly as he holds up the handsome silver tray he won in the Mayor's Shoot-Off contest at Frontier Daze in Morinville. Harry White, manager, who presented the tray on behalf of the staff at the Royal Bank is seen at left and Mayor Art Stapleton of Morinville who gave Mr. Fowler a stiff run for his prize is seen at centre. Gazette Photo.

Frontier Daze Highlights

Marcel Pelletier won the Home Owner's Decorating contest with Roger Blackburn as runner-up. Judging was based on landscaping this year.

Father Primeau was named Citizen of the Year and also won the further distinction of bringing the highest price on the slave auction block - \$87.50. Mrs. Anne Kryskow brought the second highest bid.

The Slave Auction proved a highly successful innovation to the Frontier Daze celebrations this year with a total of about \$800, on sales. Ron St. Laurent chaired the committee in charge.

Floyd Volrath was in charge at the street breakfast and it is estimated practically the entire crowd of 5,000 enjoyed the outdoor feed.

Speaking of food, by Sunday evening the entire supply of food at the grounds was gone - and they started with loads!

Lieutenant-Governor J. Grant MacEwan showed great interest in the Pioneer plaque shown to him by Reeve Stan Walker at the municipal grounds before the parade. Later at the luncheon he commented on the fine set up at the grounds for a small community.

Sunday's rain looked gloomy for a while around noon but later on an estimated 2,000 were watching the bandshell entertainment and the afternoon worked out well. Gate charge was cancelled Sunday because of the rain.

Winners in the costume promenade were Mr. and Mrs. Marcel Rivet of Edmonton in the family prize category; Yvonne Tellier of Morinville in silks and satins section and Florence Vranas also of Morinville in the cotton section.

Horse Hill Sports Day

The Horse Hill community league sports day on July 6 begins at 10 a.m. with an "Old Timers" ball tournament. Bon Accord, Gibbons, Fort Sask., and Horse Hill are taking part. There will also be a juvenile tournament with the same districts competing.

The youngsters and some not-so-young can compete in races and novelty races. Horseshoe pits will be busy and a horseshoe tournament is arranged. Watch the ladies heave those rolling pins!! - in a special event for them. Muscle and brawn will be on display in the Tug-O-War matches. Don't worry about getting hungry - there will be lots of good food. Somebody will go home with a lucky gate prize too.

For a day of fun plan to meet your friends and neighbors at the Horse Hill Sports Day on July 6th.

Mrs. Bugnet Celebrates 86th Birthday

MR. AND MRS. G. BUGNET

LEGAL - On the 24 of June amidst many well wishers Mrs. G. Bugnet, nee Julia, Jeanne Ley, celebrated her 86th birthday.

This small and charming old lady was born in 1882 at Dijon, France, where in April 1904, she married George Bugnet of the same city.

They came to Canada in 1905 and settled in La Prairie aux Oignons, later named Rich Valley, some 65 miles north west of Edmonton. They raised four boys and five girls all alive today.

With the passing of years their progeny has now reached the number of 85.

In 1954 they moved to Legal. Although Mrs. Bugnet went through the harsh life of the early pioneers she is still free from serious infirmities and quite able to keep her home healthy and in good order.

The Gazette joins with her many friends and neighbors of Legal and district, in congratulating Mrs. Bugnet and wishing her health and happiness on this occasion.

Doreen Vervynk was crowned Frontier Daze Queen at the big Teen Dance Saturday evening. Gazette Photo

Father Ricard leaving Legal

It was with regret that the parishioners from Legal learned that their pastor Father Ricard is being transferred to Lafond. He will be replaced by Father Martineau from Plamondon.

The people want to thank Father Ricard most sincerely for everything he has done for the parish, and especially for the school, and they hope he will be back often to visit with them.

To the new pastor a most cordial welcome is extended with the hope he will feel at home in the parish.

Pete Gibeau's covered wagon with sturdy team and occupants in pioneer dress reminded the crowd of the earliest form of transportation by land. Gazette Photo.

A copy of the detailed program is available from this office - call 256-3351 or write to Department of Agriculture, Morinville.

Rapeseed or Mustard?

Earlier this spring an article emphasizing the importance of protecting rapeseed crops from mustard encroachment was published in this column.

For the information of those of you who didn't read the article or who might be contemplating the seeding of mustard at this time, we would strongly advise you to obtain the publication - "Rapeseed Canada's 'Cinderella' Crop", which has just been published by the Rapeseed Association of Canada. To ensure a saleable crop this matter deserves your attention.

In it is gathered pertinent information on the production of both mustard and rapeseed; varieties and species, seeding practices, use of fertilizer, pollination weed control, diseases, insect pests, harvesting and threshing, storage and cleaning and last but by no means least - grading.

Most of you who have grown rapeseed last year will have received this informative booklet, but for those who haven't had the opportunity to read it and are interested, just call 256-3351, or write the District Agriculturist's office in Morinville. It's free for the asking.

Egg Producers Note Deadline

The Alberta Agricultural Products Marketing Council is presently sending out registration forms to known egg producers in the province. These forms concern the plan submitted by the Alberta Egg Producers Association for an egg and fowl marketing board which has been approved by cabinet. Before a plan for a marketing board can be implemented, certain requirements in respect to numbers of producers and volume of product marketed must be met, and a vote taken.

Unless the minimum of 300 producers having marketed 12,000,000 dozen eggs in 1967 register, there will be no vote, meaning that the plan would then be withdrawn from further consideration.

The deadline for the return of the egg producers registration forms to the Alberta Agricultural Products Marketing Council is July 15. If you are an egg producer and have not received a registration form during the week of June 24 and want a vote, contact the district agriculturist office or the Alberta Marketing Council as soon as possible.

If voting requirements are met, producers having returned their registration forms to the council will receive a ballot and a copy of the egg marketing plan.

Master Farm Family Award

Nominations are again open for this award. If you have a neighbouring family who are above average farmers, who take part in community and government affairs, and to whom the community looks with respect, contact the D.A.'s office for nomination forms.

Applications must be filed with the district agriculturist office no later than July 15th.

The award is a \$1,000, trip anywhere in Canada for five award families.

In the first three months of 1968, Alberta farmers bought \$7,567,000 (wholesale value) worth of implements and equipment, 23 percent less than the \$9,830,000 worth purchased in the like period of 1967.

After High School - What??

With the end of June comes the time when high school students must decide whether or not to return to a regular school in the fall, attend a vocational school, or further their education at a higher school of learning. For some, the decision will be a simple one to make as they go on to the next grade following the outline prepared for them when they entered high school with plans to graduate either with matriculation or diploma standing.

Others contemplating university might find themselves in a position where they are lacking one or two subjects required for university entrance. Few students are prepared to spend a whole year at school to make up for such a deficiency and too often these students will take any employment they can get with plans to get their required subjects either through correspondence courses or by attending night school. All too often, however, these plans don't materialize and the youngster who had dreams of matriculating settles for a day-to-day job he doesn't enjoy with little hope for advancement now or ever, and the threat that his job will be non-existent at any time - not a very secure feeling, is it?

For those planning on attending vocational school, and also for those who require additional subjects for university entrance, why not

consider one of the agricultural and vocational colleges situated at Olds, Vermilion or Fairview?

Olds and Vermilion offer fall, winter and spring sessions from September 3rd to November 29, December 2nd to March 14/69, and March 17 to June 30 respectively. The Fairview school offers two sessions; the fall session from Sept. 3 through to December 20 and the winter session beginning on January 6 through to June 30.

High school academic subjects, certificate courses in agriculture, agricultural technology business education, home economics, fashion and design technology, horticultural technology are among the many courses offered at these colleges.

Students wishing to obtain a diploma in agricultural technology have seven programs from which to choose: general agriculture, animal science, farm management, plant science, farm mechanics, soil science or agri-business.

Numerous scholarships bursaries, awards and loans are available under various conditions.

Why not write or phone in for the 1968-69 calendar today and be prepared to take decisive action when this year's results are out at the end of June and July?

Phone 256-3351 or write to the department of agriculture office in Morinville

Hay to Sell?

Mr. O. G. Bratvold, head of the Field Crops Branch, Plant Industry Division of the Alberta Department of Agriculture, reports that many farmers in the Edmonton area are in immediate need of hay supplies. Any farmers having hay for sale may list their supplies with the local District Agriculturist office.

Any listings would be appreciated. Please indicate variety, quantity available and price.

The number to call is 256-3351, or you might fill in the following and mail it in to Municipal office in Morinville. Your co-operation in this matter would be greatly appreciated.

Watch those aerosol cans

by Shirley Rebus, District Home Economist

Are all the members of your family aware of the dangers involved in the misuse or improper disposal of pressurized containers? If not, a few minutes of your time right now could possibly avoid a great deal of grief.

Aerosol cans are becoming more and more common around the home and workshop. The principle of storing contents under pressure is a convenient way of dispensing a variety of products - shaving cream, whipped cream hair spray, air freshener, insect repellent, insecticide paint, household cleaner, and on, and on, and on.

But it is the same principle that makes aerosol containers deadly in the presence of heat or flames. The gas expands, increasing the pressure within the can until it explodes. Sharp and jagged pieces of metal are hurled in all directions at incredible speeds.

You wouldn't shoot a gun at random in your back yard. Would you toss an empty aerosol can into a barrel of burning trash? It is wise to train all family members to place empty aerosol containers in a separate waste basket which is never emptied where trash is burned.

There are less obvious situations in which accidental explosions can occur.

- For instance, a boy set a can of pressurized artificial snow on a stove while he was decorating the Christmas tree. The can blew up, sending fragments into his right eye, which consequently had to be removed.
- Consider how hot the trunk of your car becomes when it sits in the sun. Pressurized containers have been known to explode under such conditions.
- Have you ever used a piece of carved glass to concentrate the sun's rays, perhaps to burn a hole in paper? Just think what would happen if the rays were concentrated on an aerosol can instead of paper.
- Always avoid the use of flammable sprays around flame and spark sources. In tests, spray vapor has caught fire, shooting flames seven feet out of the nozzle on the can. A woman, using hair spray in a closed bathroom where the water heater was operating, burned to death when the spray ignited.

ALWAYS, ALWAYS

1. Store pressurized containers away from heat.
2. Read the label carefully and use the contents exactly as directed.
3. Depress the operating valve until all pressure is released before discarding any aerosol can.

Father Beaupre going to Whitecourt

FATHER ARMAND BEAUPRE

MORINVILLE - Father Armand Beaupre who came to Morinville as Assistant Parish Priest in January, 1966, will be taking over his new duties as Parish Priest in Whitecourt on August 20. The friendly, warm hearted

and unfailingly cheerful young priest has become a popular figure in the community during his stay here, and has endeared himself particularly to the young people.

One of his last activities before leaving will be serving as Chaplain for a group of 40 local young people on a tour of Eastern Canada from July 14 to August 17 this summer.

In Whitecourt Father Beaupre will also be in charge of three Mission stations: Fox Creek, Blue Ridge and Greencourt.

Father Beaupre will be replaced in Morinville by Father Fernando Bourassa, assistant parish priest from St. Paul, who will also serve as a teacher at the high school here.

Coronado UCW

The regular monthly meeting of the Coronado U.C.W. Unit #2 was held on June 5, 1968 at the home of Helen Hughson with seven members present. The president called the meeting to order, followed by worship by Betty Hofs. The Mother's Day Tea, which was held in May, was reviewed. We

would like to thank everyone who helped to make it, and our Tupperware Party a great success.

It was decided to have the Gibbons Sunday School piano tuned. A joint meeting was planned with Unit #1 on Aug. 7, 1968, at the Coronado United Church Hall and to have a guest speaker at this meeting. A tasty lunch served by Helen Hughson and Mary Montpelier, followed the meeting. The next meeting

will be held on July 3 at the Coronado United Church hall. Lunch will be provided by

Sandra Shaw and Jan Smith and worship by Helen Hughson.

MYR President transferred

DENNIS HIMSCHOOT
MORINVILLE - Dennis

Himschoot, employee of the Royal Bank, will be missed in many ways when his transfer to Hay River becomes effective in six months time, but particularly for his unselfish and energetic contribution to youth activities here. He was elected to the executive of the Morinville Youth Recreation committee in June of 1966 and became president in March, 1967, an office he still holds, having been re-elected three times. Dennis has done a fine job in this capacity which is warmly appreciated by the MYR.

Vimy Column

The CNR have completed construction of the switch line which will be used to haul sand and gravel to the south of the province.

Presently holidaying for a few weeks in the Sabourin families are Mr. and Mrs. Romeo Tharand and Mr. and Mrs. Edgar Menard from Sudbury, Ontario.

The Vimy section of the Dianne Williams Majorette Corps travelled to Morinville to twirl in the Frontier Daze parade.

Best wishes from the community go out to Miss Donna Harriet, second grade teacher at Vimy school, who was married on June 21 to Mr. Gordon Bomersback from Tawatina.

The Vimy 4-H club held a meeting at the home of Mr. and Mrs. Fern Deschamplain in preparation of the club's achievement day which will be held at the auction mart grounds in Westlock on July 4. It was also announced that Mr. Paul Dubois will spend a week at the Olds School of Agriculture under the sponsorship of the 4-H Club. A delicious lunch was served at the conclusion of the meeting.

Dancing is "IN" at Fete Au Village

Come on everyone get ready for a big night of dancing on July 27 at the Fete au Village in Legal.

Saturday evening at 6 pm the lively Seeds of Dawn Band will entertain on the bandshell and everyone is invited to let their hair down and swing it away on the paved tennis court adjacent to the bandshell.

Then at 9:00 p.m. you're all invited for the big dance in the community centre to the rhythm of the well known teen band "Society's Child".

Come one and all, young and old and enjoy yourselves at the Fete au Village festival.

Proudly holding their trophies are the local winners of the Poster and Essay Contest launched by the Diocesan Committee of the C.I.M. to promote vocations. Pictured in Mrs. Marguerite's classroom from left to right are Mrs. Rachelle Cyr, Louise Regimbald, Cecile Coulombe and Mrs. Rita Prefontaine.

Vocation contest winners

LEGAL - The Diocesan Committee of the Christian Ladies Movement launched a Vocational poster and essay contest for all students throughout the St. Paul Diocese in order to promote more vocations in our parishes. The topic of the con-

test was "Christ Calls - I Answer". The posters and essays were turned in to the local president, who had them judged. The winners won a prize or trophy from the local organization. Then the copies were sent to the diocesan committee to be judged a second time where the fourteen parishes competed for a watch and a transistor radio.

The Legal winner in grade one to six category was Cecile Coulombe a grade three student. Louise Regimbald a grade ten student won the essay contest.

Last week beautiful trophies were presented to them on behalf of the local Christian Ladies organization. President Mrs. Rita Prefontaine and vice president Mrs. Rachelle Cyr made the presentation.

Congratulations Girls

Another school term has already ended and we want to wish to everyone a happy and accident free holiday.

Legal CWL

LEGAL - On June 18th St. Emile C.W.L. held its last meeting before the summer vacations.

Mrs. R. Hunting and Mrs. W. Harry attended the Provincial C.W.L. convention held in Morinville. A very informative report on the speakers, resolutions, constitution changes and a review of the program was given by Mrs. Harry.

A committee of three are in charge of the C.W.L. entry in the "Fete au Village" parade July 27.

We wish everyone a very enjoyable summer vacation.

Legal Locals

Marie-Paule Houde's mother and sister Celine from Val Alain, Quebec, are visitors in Legal. They will also visit Father Houde and Joseph Louis at St. Paul. It's their first visit in our beautiful province and we wish them an enjoyable holiday.

Mrs. Diane Remillard, Mrs. Lea Celletier and Mrs. Veronique Parent returned Sunday evening after spending a month touring Europe with an organized tour. The ladies thoroughly enjoyed their holiday.

A good number of "Legal-ites" dressed in their Fete au Village attire attended the street break fast and took part in the parade last Saturday at Frontier Daze. We hope to welcome "Frontier-men" at our Fete au Village July 27 and 28.

Mr. and Mrs. Paul Brosseau from Bonnyville were weekend visitors at Mr. and Mrs. George Montpetit.

Mr. and Mrs. Donald Cyr are moving to St. Therese P.Q., a small city near Montreal where they will be teaching next term. Mr. and Mrs. Cyr will also take summer courses at the Laval University. We wish them both the best in their new enterprises and hope they will be back on the Legal teaching staff next year.

The community would like to welcome Mrs. M.S. Purba who has arrived with her children from India last week. Mr. Purba has been in the Legal teaching staff for the past two years.

Legal girl wed at St. Emile's

MR. AND MRS. ANDRE ST. LOUIS

Before an altar banked with baskets of mums and roses Father Ricard performed the double ring ceremony when Helene Laframboise was united in holy matrimony to Andre St. Louis. Helene is the daughter of Mr. and Mrs. Olivier Laframboise of Legal and Andre is

the son of Mr. and Mrs. Hector St. Louis from Picardville.

The bride given in marriage by her father, was radiant in her floor length gown of chantilly lace. The bodice was pearl and sequined embroidered and featured lily point sleeves. Her full skirt had a peek a boo front interest of net and lace. A french tulle bouffant veil was held in place by an aurora borealis tiara. She carried a bouquet of red roses accented with white lilies of the valley and white ribbon streamers with rosebuds.

Her bridesmaids, Marie Laframboise, Cecile Regimbald and junior bridesmaid Rita Laframboise wore identical light pink chiffon over taffeta floor length gowns, with lace bodice and bow trim to accent the empire line. They carried cascade bouquets of light blue roses centred by a pink florist bow, with identical roses for their headpiece. Best men were Emile Lambert, Roland Nadeau and Claude Clouthier. Ushers were Denis Laframboise and Paul St. Louis.

For her daughter's wedding Mrs. Laframboise chose a dress and jacket ensemble of a light pink silk shantung trimmed with beads and pearls with white accessories, complimented by a corsage of brandy colored roses. Mrs. St. Louis wore a light blue lace coat and dress ensemble, white accessories,

VIOLENCE ON TV

The U.S. television industry is bracing itself for some hard kicks from President Johnson's new "what's wrong" committee. Most television serials — and these are the shows that most families spend 10-20-30 hours a week watching — are hyped up with murder and mayhem. For example in the course of an eight-hour exposure of ABC, CBS, and NBC, as well as half-a-dozen local outlets, there were 93 specific incidents involving sadistic brutality, murder, cold-blooded killing, sexual cruelty and related sadism. In the wildly competitive world of TV show creation, the fact is that the public has proved it wants this stuff deplorable as that fact may be. "Cleaned up" TV is almost certain to be a major objective of the Johnson committee. Many thoughtful people, including Canadians will agree its about time.

A resolution from the Pas, Manitoba, the mayors and municipalities convention in Edmonton called for an amendment to the BNA to provide for a standard curriculum across Canada. It was turned down. Delegates were not optimistic about the constitution being readily amended.

with pink roses encorsage. Soloists were Mr. and Mrs. Lucien Montpetit accompanied at the organ by Rachelle St. Martin.

Following the ceremony a banquet for some 240 guests was held at the Legal Community Centre with Mr. Jos Nadeau from Picardville as master of ceremonies.

The toast to the bride was presented by the uncle of the bride, Mr. Laurier Regimbald.

Some 300 friends and relatives gathered in the evening for refreshments and dance. For her honeymoon to Jasper and Vancouver Mrs. St. Louis donned a two piece hot pink suit with white accessories complimented by a corsage of white roses.

The happy couple will reside in Westlock.

St. Albert Recreation News

Swimming

After two very successful registration days there are still a few vacancies left in the second session of lessons which run from July 15 to 26. A final registration for this session only will be held on Sat. June 29 from 5 - 9 p.m., at the swimming pool. Registrations for the July sessions will also be taken for the R.L.S.S. classes at that time. First come, first served. The registration dates for the session beginning on July 29 and August 12 will be July 17 and 20.

Water polo has become very popular at the pool. On Thursday, June 27, 2 senior games will be played and local residents are invited to come out and watch the St. Albert team play a team from Queen Elizabeth followed by a game between Scona and Y.M.C.A. Game time is 10 p.m. - adult swimming will be restricted on this occasion to one hour from 9 till 10 p.m. The Piranhas Water Polo team will be holding their annual Awards Night at the clubhouse on Friday evening. At a recent Referees Clinic two local boys qualified as primary referees: Jack Kool and Wayne Neigel. John Watt, a member of the pool staff also qualified.

On July 1st there will be public swimming from 9 a.m. till noon.

Men's Soccer

After a good, hard clean game last Friday, St. Albert beat Hinton by 4 - 1. The scorers were John McDermott 1, Fred Austin 1 and Sid Allan 2.

On Sunday, St. Albert had another win, beating Ritchie Canadians by 3 - 2. This was the first defeat of the season for Ritchie. St. Albert dominated the first half with Ritchie coming on strong in the second half. However, St. Albert held on to their lead. Two good goals and a penalty by Vic Ledsham made up St. Albert's score.

The St. Albert team have been having a good season. Ten games have been played and the local boys have won 7, tied 2 and lost 1.

Baseball

Lion's League - Playoff time is here. In two close scoring games the semi-finals in the Lions League were concluded with the Angels and the White Sox going into the finals. The Angels and Orioles went into an extra inning with the Angels squeaking through to a 9 - 8 win over the Orioles. Terry Kieser was the winning pitcher. In the other semi-final game, the Red Sox took a close decision over the White Sox, 12 - 9 with Allan Musto being credited with the win.

In the first game of the finals, the Angels came up with a big win over the Red Sox to lead the series 1 game to none. The score was 27 - 5 with Roger Meunier the winning pitcher.

K.C.'s League - In the K. of C.'s League semi-final the Dodgers eliminated the Braves 25 - 8 with Blair York being the winning pitcher. The other team advancing to the finals was the Pirates who defeated the Senators 9 - 4. Stephen Hofart was the winning pitcher.

In the first game of the finals the Pirates dumped the Dodgers 16 - 7 behind the relief pitching of Brian Benton and the hitting of Gerald Langevin who hit 4 for 4.

Soccer

St. Albert Atom League Results of last week's matches are: Grandin Rangers 2 - Grandin United 1, Braeside Rovers 6 - Grosvenor Lions 0, Sturgeon Albion 7 - Legion Lancers 0, Churchill Chargers 0 - Mission Saints 1.
